Novel Notes

I now have the cover for *Be Mine Forever*, the third book in my vampire series, and just heard today that the publication date has been

moved. It is now coming out in July. This is Angela and Tom's story and tells of the ghouls' origins.

I've just handed in the fourth book in my vamp series. I've titled it *Keep*

Me Forever, and it's scheduled for April 2006.

JC Wilder and I are planning *Paradox IV*, to be released in the spring of 2006. We're still discussing the theme but think it will be 'Fire.'

Early in February, three writer friends - Dianne Castell, LuAnn McLane and Toni

Blake - and I were interviewed by Sara Pearce for the *Cincinnati Enquirer*. You can read the interview at <http://news.enquirer.com/apps/pbcs.dll/article?AID=/20050203/LIFE02/502030337/1086/Life>.

The following weekend, Dianne, LuAnn and I were at the Hamilton library for Romancing the Book.

Other news

Sexy Shorts for Lovers is now out. This UK-published anthology, with my story, *The Green Man*, should be available at B&N.com and from B&N stores, but there seems to have been some sort of hold up. It is available at www.amazon.co.uk. If you can find a copy to buy, you are supporting a worthwhile charity. Proceeds go to the British Heart Foundation. 🌸

Vlad Project

I'm hoping to collect photos of the Vlad bear on his travels. I plan on

taking pictures at signings and conferences, and hope those of you who win (or have already won) Vlad bears, will send me pictures. At the end of the year, I plan to create a Web page of Vlad's voyages.

Contest and giveaways

This year, I'm trying something different. Each month, I will pick a name from my newsletter subscribers. So pass the word.
